

Our Company

Lake Minnetonka Party Rental is the "fun" division of A-1 Minnetonka Rental. We have been serving the rental needs of Lake Minnetonka area residents since 1963. In 2011, we created a new division dedicated exclusively to providing premium party and event rentals to the West Metro. Thus, Lake Minnetonka Party Rental was born.

Since 2011, Lake Minnetonka Party Rental has served thousands of area residents. We provide canopies, tents, tables, chairs, linens, and more for graduation parties, weddings, community events, birthday celebrations, including indoor and outdoor events. Our mission is to provide a unique and personal experience for each customer that exceeds expectations via superior products & unparalleled customer service.

We have been family owned and operated since 1963. Our business carries a strong tradition that has resulted in three generations providing quality rental products to Lake Minnetonka area residents. You can put your trust in the commitment to excellence that only family can provide. Let us impress you at your next event. The best compliment we can earn is your confidence in referring us to someone else.
