

Our Work

"Lake Minnetonka Party Rental is the western suburbs' best source for tents, tables, chairs, linens, whatever you need to through a first class event! They are professionals from start to finish, and are always thoughtful and friendly. My family has rented from them multiple times, and most recently they provided everything we needed for hosting 200 people at our outdoor wedding reception. Thank you, Lake Minnetonka Party Rental, for helping us throw a wonderful party!"

"Hi Chad,

Just a note to thank you and your staff. The tent worked out perfectly and the set-up and take down were really well executed!! When the guys came to take down the tent we didn't tip them as we weren't sure of the protocol. We were thrilled with their work so please send along our "thanks" and apologies if we were supposed to tip them."

"Dear A-1 & Lake Minnetonka Party Rental Owners,

I want to express my thanks for the great customer service that I was provided from the first meeting at our home by Chad and Max all the way through the strike day! My husband's celebration of life at our home was a very difficult event to feel good about coordinating and planning. However, Max and team were so helpful and considerate and this eased my angst and sadness. I have been a corporate meeting planner for over 20 years dealing with major events all over the United States and I know above and beyond customer service when I experience it! You can be very pleased to have Max on your staff. Whether I was dealing with him over the phone or in person at the shop he was helpful, pleasant and courteous. I will definitely recommend you to anyone I know that is planning a local event. Thank you!"

"Dear Chad and Vanessa..."

We just received our delivery from your guys and what a great team they are...both Willie and Aaron are very personable and thorough and hard working. They have great personalities and were very conversational while they were here. I told them that they did a great job and to keep up the good work, as you can't really 'teach someone' to have a great personality and to be conversational. I am sure that they are prized employees for you already, but I just wanted you to know that they are keepers and you are lucky to have them working for you. It is a great representation of your company to have employees that are as together as the two of them are. Thank you for the delivery and for sharing your great employees."

"Hi Josh,

I wanted to send a note thanking you and your staff for the awesome job you did for us this last weekend! All the items worked out great – the ice table, cooler, tables with elastic tablecloths and the tent. Last but not least the guys who delivered and picked up the equipment were super friendly and nice to work with! We will definitely recommend your business.

"Hi Chad and All,

Thank you, thank you, thank you! Honestly, the tents were so amazing, beyond our expectations. We had the most beautiful wedding and we owe it to you and your burly team of tent makers! Unfortunately we didn't have enough electrical power to make popcorn, but everything else worked great!! I cannot tell you how many people asked where we got the tents from, etc, and how amazed they were by the unusual design. Most referred to the tent as Denver International Airport :) The yard looked great, the set up was seamless and your team was helpful, considerate and strong!"

"My family and I just want to thank you for the wonderful job you did helping us with tents and party equipment for our daughter Audry Rossow-Hovland's wedding we had June 22nd in Excelsior. We really appreciated the extra effort you gave to get us a second tent Saturday when the weather was so threatening. I only have good things to say about your company and employees. You were the silver lining in our cloudy, raining forecast. Thanks so much."

"On behalf of the Wayzata City Council and the entire Lake Effect Team, we wish to extend our gratitude to you for your participation in the Lake Effect launch event this past week. The event was attended by over 225 of our residents and business owners and proved to a thought-provoking evening. Partnerships with our local businesses are important - thank you for your willingness to be a part of this event. We look forward to continuing our relationship with you as The Lake Effect process moves forward."
